Selectmen's Meeting

MATTAPOISETT SELECTMEN'S MEETING
APRIL 1, 1985 - by VIRGINIA ARRAL
SELECTMEN AND FINANCE COMMITTEE
DISCUSS ANNUAL MEETING ARTICLES

Among the articles the Finance Committee will recommend at the May 6th annual town meeting are: a police cruiser, mosquito control, bandstand repair, water/sewer department truck, $10,000 for repair to Hollywoods Road ($17,000 is requested), and the sewer extension.

Finance Committee Chairman Michael O'Brien said the committee is not recommending the highway department's request for a backhoe nor the harbor patrol boat.

O'Brien told Selectmen the committee wanted to discuss the harbor patrol boat and funds requested for the Rape Crisis Center in New Bedford. He noted the $24,895 requested for the boat would have to let something else go. O'Brien said there is a boat there now - a Whaler and Ken Pacheco's boat. "We have to prioritize."

Selectman James Huntoon commented that he would like to see the harbor patrol boat issue debated on town meeting floor. O'Brien responded saying, "Proponents of the boat article will get up on town meeting floor and make a good argument. If they vote it something else will have to go."

The committee did, however, recommend funds to pay for gasoline and hourly wages for $4,000 total for the harbor patrol as it is presently operated.

O'Brien noted the request for funds for the Rape Crisis Center was something new and the Finance Committee would like some background on its importance to Mattapoisett. Selectmen Chairman John DeCosta said the representative from the center reported there have been four helped from Mattapoisett and 38 counseled. Selectman James Huntoon said Mattapoisett should acknowledge something. "Even though we don't want to admit it such things do happen in our society." The committee agreed to recommend the funding.

A brief discussion was held on the Old Rochester Regional School District budget, proposed at $1,253,684. O'Brien noted that $134,000 requested over last year comprised $80,000 in contractual salaries and Chapter 766 and $8,000 in necessary repairs. O'Brien informed Selectmen he told the school committee, "We would approve the budget over $88,000., but they would have to 'find' the $42,000 somewhere in their budget."

Huntoon asked the Finance Committee where the funds would come from if the present court case involving the school committee and a fired teacher was settled. O'Brien estimated there would be about $48,000 needed for salary and this would probably come from the $100,000 in surplus revenue in the school's budget. The Finance Committee chairman and the Selectmen all expressed surprise that the school committee is appealing the court case.

A discussion on the town counsel's budget heard Huntoon say the board has used the town counsel less than in past years. But, the Zoning Board of Appeals has been using him more. Finance Committee member Peter Hodges said the volume is increasing and the rates have increased. He felt Select-

men should screen the requests of other boards, especially those boards that are not responsible for budgeting. "This method is against all theory of budgeting," Hodges exclaimed.

Huntoon responded saying "we (Selectmen) have mitigated several cases so they didn't need to go to court". Selectman Frank Suzan said many times they've used town counsel to discuss issues before and have saved the necessity of having to go to court.

In other business, Selectmen:

VOTED UNANIMOUSLY to send a letter to the Old Rochester Regional District School Committee stating "we strongly disagreed with your decision to appeal the Superior Court decision on the Browne case. And because of fiscal demands on the school with the computer costs, we feel you should get on with education. We feel even stronger than the last letter we sent on September 24, 1984 when we stated our position at the time not to pursue the case."

As a matter of record, the teacher, H. Stevens Browne, was fired by the School Committee on October 13, 1982. Documents on file in Plymouth County Superior Court say Browne was fired for "grabbing" unruly students. Last week, Superior Court Judge Guy Volterra upheld an arbitrator's decision and ordered the ORR School Committee immediately to reinstate Browne, a 19-year social studies teacher.

Road, as requested by the Selectmen following a plea from area residents of the road. The complaint cited the speed used by drivers and need for slower speed because of children living on the road.

The Chief reported he set up a radar unit on several occasions, both in the evening and during the day, with the following results: a total of 31 cars were checked for speed; one citation was issued for 37 miles per hour, with the average speed of all cars checked at 25 miles per hour.

"It appears that if people travel the road every day as I do, they are conscious of the dangerous curves. If the town feels speed signs will be posted I would recommend a speed of no more than 25 miles per hour, to be safe." The Chief added, "The danger of driving on Pine Island Road is not only the children playing, but the many people who walk the road which forces the traffic into the oncoming lane and because of the curves, a motorist cannot see beyond the next curve."

Selectman John DeCosta noted the board has petitioned the state for a study to be made for consideration to place a speed sign on the road.

RECEIVED AN ADDITIONAL NOTICE from the Department of Environmental Quality Engineering (DEQE) regarding the closed areas of Eel Pond and Hiller's Cove.

As a result of a re-examination of the waters of Eel Pond, the department has determined it is subject to bacteriological contamination. The department now deigns the following area as "prohibited" to the taking of shellfish for human consumption - "the waters and flats and all tributaries of Eel Pond northwest of a line drawn across the mouth of Eel Pond".

Board of Appeals

by VIRGINIA ARRAL

Following a public hearing held February 11, the Board of Appeals, Mattapoisett has granted the application of Jonathan T. DePina, Jr., 109 Marion Road, for a Special Permit to alter a one-family dwelling to a two-family dwelling.

Although the petitioner requested the permit as an owner operation, the board allowed the permit with the condition the premises shall be owner-occupied and not owner-operated. All town, state and federal rules and regulations must be complied with and the alterations must be made substantially as proposed and only the petitioner is issued the permit.

A second decision allows Fisher and Rocha, Inc., 15 Fairhaven Road (as owners of the Mattapoisett Coin Laundry, 45 Pearl Street), to install an additional dryer. The provisions stipulate there will be no alteration to the building.

Robert and Mary Ringuette, 21 Dupont Drive, made two requests: the first, to appeal a Cease and Desist Order issued by the Building inspector was denied; the second, a request for a variance to use the land at 21/23 Dupont Drive for a subdivision of the lot and to allow them to maintain boats on the property, was granted.

A Cease and Desist Order was placed by David Crook, Building Inspector, on December 10, 1984 because the residence on a "V" zone was found to be in violation of the federal flood plain zoning regulations, namely that garage doors installed as "breakaway" panels did not meet their specifications and that the parallel wall construction of the structure diverges from acceptable practices. The Appeals Board upheld the order because it found no financial hardship in order for the Ringuettes to correct the violations with dry block wall construction and modified garage doors.

The Ringuettes requested to subdivide the lot so that they may sell about two acres of land. This division would reduce the original size of the petitioners' marina from six acres to about four acres. The pe-

Mattapoisett Election

INCUMBENT SELECTMEN WINS

Selectman Frank Suzan was returned to his seat on the Board of Selectmen for another three years at the town election last Tuesday, besting his only opponent, John C. Bowman, by a vote of 823 to 517. Bowman was a member of the town Board of Health before seeking the post of Selectmen.

In his comments at the Monday night's selectmen's meeting, Suzan, who was anxiously awaiting the next day's election, said, "In our three years together, we (this board) have never had a split vote. We've had our differences, but we've always been able to thrash them out." Following the election Suzan said it appears the voters want the board to continue to work as a team.

Newcomer to Mattapoisett and to political life, Micheal Michaud won a three-year term on the Board of Health over his opponent, Paul M. Kelley, the town's fire alarm superintendent, by a vote of 674 to 625.

In the two-way race for the highway surveyor's office, incumbent Manuel Nunes, Jr. was overwhelmingly returned to the job he has held for 47 years, with a vote of 1010. His only opponent was Donald Linhares, former selectman, who garnered 317 votes.

Town Clerk Lois Ennis had predicted a 25 percent turnout of voters. Her prediction was surpassed when 1,357 voters, 37 percent, turned out.

In the only other contested race, two newcomers to the political field competed for a five-year term on the town's Housing

Community Concern Council

"WATERWAY STUDY GROUP HAS PUBLIC LAUNCHING"
from BOB GARDNER, MARION

The Waterway Study Group of the newly formed Community Concern Council of Marion held a public meeting with the Marine Resources Commission on April 1st to discuss the legal channels of authority for harbor regulations, the accounting of 60 B Boat Excise Taxes and the content of the harbor budget to be voted upon on April 22 at the Marion Town Meeting.

The Waterway Study Group stated that at least $17,000. had been misappropriated from the Waterway Fund but the Marine Resources Commission said this did not lie within their scope as they serve only as an advisory group to the town Selectmen. They did add, however, that they were overwhelmingly opposed to the Marion mooring "fee" which was recently decreed by the Selectmen. The many boat owners present expressed resentment saying the "fee" was just another tax on boats which is illegal under 60 B of Massachusetts General Laws and reminiscent of the Stamp Tax of King George III.

The Waterway Study Group pointed out that,

even though the town has permitted tax evasion, the 60 B taxes collected should show a substantial balance in the Waterway Fund which should be more than enough to cover all costs for harbor services in 1985.

The Waterway Study Group emphasized that "shellfish" and "waterways" come under two separate departments of the Commonwealth of Massachusetts and that the funds from one may not be used legally for the other. They recommended that the town maintain a distinct division of the funds and that town records be kept in separate accounts; also that separate budgets be submitted for voters' consideration. Further that an itemized audit of the Waterway Fund be made and made available to the public.

The Waterway Study Group and the Marine Resources Commission agreed to hold another joint public meeting on April 15 at 7:30 p.m. in the Marion Town House to report on and discuss their individual findings on the legal and financial aspects of harbor matters of public concern.

morrow, Thursday, at 1:30 p.m. in St. Anthony's Church Hall.

Prominent long-time residents of Mattapoisett have been asked to attend the session at which Mrs. Luen M. Johnson, trustee of the Free Public Library, Mattapoisett, will tell of plans to record, visually and orally, the history of the town.

The meeting will also be an opportunity for members to bring in their donations for the annual Maybasket awards, scheduled May 9th.

Hostesses will serve refreshments after the program.

A meeting of the executive board has been called by Mrs. K. Eileen Hurley, president, at 12:30 p.m. in the hall.

Sippican Seniors

Sippican Seniors will meet Thursday, April 11th, at St. Gabriel's Hall in Marion with Mrs. Dorothy Boardman presiding.

Members whose names fall between A and M will bring food to the hall for a food sale. New vice president will be appointed at this meeting.

Annie Giberti will report her plans for the annual May birthday celebration which has been so successful in years past. She also reminds members to bring in their Campbell Soup Labels which the group collects for the benefit of Sippican School.

On Tuesday, April 16th, at 2:00 p.m. Emma Goldrick, Harlequin romance novelist, will be at the library to talk about her work.

Mrs. Goldrick, a New Bedford resident, had read Romance novels most of her adult life. One night in 1981 she became so angry with a story she was reading that her husband said "If you don't really like what they have to offer, why don't you write one of your own!" So she did!

To date she has sold ten novels to Mills & Boon, the Harlequin affiliate in London. Her first novel, "And Blow Your House Down", has been published in seven different languages on all the major continents.

Please join us for an exciting afternoon at the Library. Perhaps you, too, will be inspired to pen your first novel!!! "It was a dark and stormy night....."

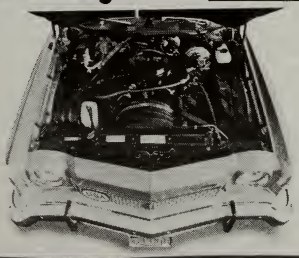
Advanced Cooling System Maintenance



There's more to your car's cooling system than meets the eye. In fact, the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

MARION MOTHERS EXTEND MANY THANKS

The Marion Mothers' Club wishes to extend its sincere appreciation and heartfelt thanks to the many people and club members who made the "ORRHS Scholarship Skate" and "Games Night" successful scholarship fund-raisers. And a special thanks to the many merchants who donated items for our raffles.

Each year the club offers a scholarship in memory of its co-founders Miss Clara Lewis and Reverend Laurence D. Somers which will be awarded to a Marion student entering college to further his or her education in the field of their choice.

For scholarship information contact the guidance counselor's office at Old Rochester Regional High School.

Please watch for further fund-raisers sponsored by the Marion Mothers' Club; your support is greatly appreciated.

SLIDE AND MUSIC SHOW

Professional Photographer Don Ayotte will be presenting his unusual slide and music show to students at Rochester Memorial School on Thursday, April 11th, at 9:15 and 10:15 a.m. Owner of the Don Ayotte Photography Studio in Middleboro, Mr. Ayotte has an accomplished background in professional photography. Starting as an Air Force photographer in North Carolina, Vietnam and Maine, he went on to amass numerous awards. Among his awards are: the Masters Trophy from the Professional Photographers of Massachusetts (1979 and 1984), Massachusetts Photographer of the Year (1979), The Hallmark Color Award for best color portrait in the state (1981 and 1982), and the Craftsman of Photography Award (1984). He has also written several articles that were published in "Professional Photography" magazine; and he has had many speaking engagements throughout New England. Mr. Ayotte is the official photographer for Miss Massachusetts.

Mr. Ayotte has developed a unique presentation for school children, giving them a positive outlook and creating a feeling of love and respect for the world. Mr.

NATIONAL WILDLIFE WEEK

Mattapoisett Land Trust, through the efforts of Norma and David Hewitt, once again provided educational materials for the celebration of National Wildlife Week (March 18-22) in Center School. An educational slide/tape presentation on soil from the National Wildlife Federation provided content well suited for the age level student in Center School. Soil was the theme for this year's celebration of National Wildlife Week. Through the educational kits provided for each teacher and with the visuals viewed through the slide program, a natural introduction to spring science units in grades K-3 was accomplished. The staff at Center School wishes to acknowledge its appreciation to the Mattapoisett Land Trust for its annual acquisition and donation of high quality programs to its library resource center.

latest fashions.

If you want to see what is new and original in fashion, save Saturday evening, April 27th. At this time the Old Rochester Regional High School Art Department is sponsoring a fashion show. All fashions are being designed and made by students in the Art Department. Most outfits will be modeled by their designers.

On a field trip to New York City last spring the art students saw a fashion exhibit at the Metropolitan Museum of Art. This exhibit prompted the students to explore the possibility of a fashion show as a fund-raiser. One year later the show is a reality. Twenty-eight original designs will be modeled at the show. Under the direction of art instructor Jean Hong and home economics instructor Jeanne Yehle, the students are working on the final product. Proceeds from the show will enable art students to take field trips to Washington, D.C. and Boston.

Don't miss the Art Department Fashion Show on Saturday, April 27th, at 7:30 p.m. in the high school auditorium. A reception in the cafeteria will follow.

Mr. Cameron was a presenter at a recent SMU Symposium for mathematics and science educators. He was a panelist along with Professors James Kaput and Richard Upchurch of SMU and discussed the topic of "Mathematics Preparation Today: What is it it?" Mr. Cameron also gave a workshop on "Symbolic Manipulators in Algebra and Calculus" using the muMATH software. Over 300 teachers from southeastern Massachusetts participated in this first annual event.

Mr. Cameron also recently returned from a NCTM Regional Conference in Parsippany, New Jersey where he participated in a session of muMATH, a symbolic manipulator for the computer and a session on Statistics in the Secondary Schools. The conference was well received, with over 5,000 mathematics educators from the northeast attending.

Match Record: 18-0-0

The ORR Chess Team won the State Team Chess Championship Sunday, March 31st, at Boston College by defeating Palmer High School (Western Division Champion), Nashoba Regional (Central Division Champion) and Hamilton-Wenham Regional (Northeast Division Champion). ings), Old Rochester was the top rated team in the state.

The State Championship began at 9:30 a.m. with ORR defeating Palmer High School by a score of 4-1. At 12:30 p.m. ORR took on Hamilton-Wenham Regional High School and disposed of them two hours later by a similar 4-1 score. The last round began at 3:00 p.m. with ORR vs Nashoba Regional High School. With ORR only needing a draw for the championship, the team decided that they would settle for nothing less than a win -- they had something to prove -- and they did, by winning 3-2. The team from ORR can now boast a match record this season of 18-0-0 and an individual game record of 80-8-2. Members of the ORR State Championship Chess Team were: Bill Smirnov (captain), Aaron Sylvia, Tom Shire, Jeff Starecheski and Erik Sylvia.

Now when chess is mentioned throughout the state, people will know where Old Rochester is located!

The ORR Chess Team officially ended its 1984-1985 season with another 5-0 shutout of New Bedford High School. ORR defeated New Bedford two straight in a best two-out-of-three playoff between the top two teams in the league.

this rewarding and enriching course please call 295-0880 and ask for Hospice. Please call for registration on Tuesdays, Wednesdays, or Thursdays between 8:30 a.m. and 2:30 p.m.

The Wareham Area Hospice Association serves the communities of Wareham, Sagamore, Rochester, Mattapoisett, Carver, Marion, and Buzzards Bay. Since April 1984 Hospice has served 30 families or 60 individuals as spouse and survivors are counted. Included in this service is one year of bereavement support. A volunteer has many options to serve: direct patient contact, meal preparation, child care, transportation, board member, or committee member (i.e. clerical, public relations, or teaching support, etc.). A decision about how volunteers want to be involved does not have to be made until the course is over. This way trainees can find out what Hospice is all about before they decide how they want to serve the organization.

A letter was recently received from a Hospice volunteer describing her responses to her experiences in Hospice. She stated, "I am a richer person than I was a year ago. One source of riches is the incredible sharing that develops in the volunteer training sessions and subsequent support group meetings . . . putting the training into practice taught me even more: how to enter new (and often tense) situations, how

this two-hour musical featuring 18 lively Chapin songs tells the story of Jesus refashioned from the red clay of Georgia. Richard Barry's acting brings Chapin's songs to life as he dances, shouts, sings and jumps from character to character, portraying almost 20 roles - primarily Matthew, the narrator. Backed by a joyful and exuberant bluegrass quartet, this production should have audiences clapping in the aisles. Chapin's brother, Tom Chapin, is the show's musical arranger.

Christianity Today writes, "Drop everything and go see Cotton Patch Gospel. Your feet will be tapping and your fingers will be snapping. You will feel regaled. A winner."

Cotton Patch Gospel will be live on stage at the Zeiterion Theatre for two performances at 2:30 and 7:30 p.m. on April 14. Tickets are $14.50, $12.50, $10.50, Sr/Ch $8.50. Call the Zeiterion Theatre Box Office at 994-2900 for tickets.

Janet Waters, local representative of the Astro Soul Program, will be presenting the lecture, demonstrating tools and techniques that can be used in a practical manner to tap the inner potential of the subconscious mind. These tools can help each individual to become more in tune with his real feelings, eliminating concepts and habits which may be inhibiting expression of the individual's true nature.

Psychic gifts, astral travel, and reading auras will also be discussed and demonstrated.

After the lecture, a mini-workshop will be offered, Exploring the Fifth Dimension, going into more depth with these topics.

Janet has been involved with the Astro Soul program for over ten years and has overcome many physical problems by implementing the healing techniques which she learned in the program. She believes that each individual has much more potential than they are consciously aware of. She has strong communication with her spiritual guides, and knows that everyone has this

ZISKIND MEMORIAL - HOLOCAUST OBSERVANCE

Star of TV and theater Robert Clary will appear as the featured speaker at the Ziskind Memorial - Holocaust Observance sponsored by the Jewish Federation of Greater New Bedford, Inc. and the Bernard H. and Minna Ziskind Memorial Lecture Series. The program will take place on Wednesday, April 17th, at 8:00 p.m. at the Tifereth Israel Synagogue, 145 Brownell Avenue, New Bedford.

Clary, who is best known for his role as Louis LeBeau on TV's Hogan's Heroes, is himself a survivor of the Holocaust. Unable to publicly express his World War II experiences until recently, Mr. Clary is now speaking to audiences across the country through the Simon Wiesenthal Outreach Program. He feels that informing the public and especially young people about Nazi Genocides is the responsibility of the survivors -- " so that it never happens again".

There will also be a special presentation of awards to the winners of the Greater New Bedford Holocaust Memorial Essay Contest in which area high school students have participated.

New Bedford Mayor Brian J. Lawler will present a proclamation on behalf of the city of New Bedford.

A coffee hour with Mr. Clary will follow the program. The public is invited and admission is free.

ALL NATURAL APPETITE SUPPRESSANT AND FAT REDUCER

INTRODUCING . . . the latest development in nutritional weight loss technology . . .

. . . the 4-way, all natural weight loss sensation!

1 GRAPEFRUIT EXTRACT — Fruit enzymes promote fat reduction by stimulating cell metabolism.

2 THE GREAT GRAPEFRUIT DIET also contains GLUCOMANNAN, the amazing vegetable fiber, used in Japan for over 1500 years, which absorbs over 50 times its weight in fluids - giving a comfortable "full" feeling, while cleansing your system. Glucomannan, as a high-fiber substance, has the ability to restrict the absorption of fat and cholesterol in the intestines.

3 THE GREAT GRAPEFRUIT DIET contains kelp, lecithin, apple cider vinegar and vitamin B6 - the oldest and most widely used natural fat-reducing formula in the world - for burning and emulsifying fat and to flush it out of the system.

4 Uva Ursi is added to the GREAT GRAPEFRUIT DIET as a gentle, smooth-acting natural diuretic to prevent fluid retention, puffiness and bloating.

The Great Grapefruit Diet is carefully formulated with the best natural ingredients to REDUCE FAT AND SUPPRESS APPETITE . . . *Naturally!*

SPRING NATURE FUN

An afternoon presentation at 4 p.m. on April 20th will explore the changes as both animals and plants adjust from day to night. Then a dusk walk starting at 5:30 will take us out to observe nightfall and hopefully culminate with a chance to watch the elaborate nuptial flight and behavior of the woodcock, a woodland relative of the sandpiper. A supper break is planned during the walk, so pack a light lunch.

Pre-registration for all workshops is required; call 993-3361.

The Lloyd Center

COURSE "COASTAL SPRING FLORA"

The Lloyd Center for Environmental Studies is pleased to announce an upcoming course entitled "Coastal Spring Flora" to be held four consecutive Saturdays starting April 20th.

"Coastal Spring Flora" is a four-Saturday course which will introduce participants to the variety of Spring flora found in our coastal region. The first meeting, April 20th, will be an all-day workshop to familiarize the group with the how-to of field identification, floral structure, and specific plants through examination of herbarium specimens, photographic slides and discussion. The following three Saturdays will be field studies to two contrasting coastal habitats. Repeated visits to the same areas will provide an opportunity to recognize plants in several growth

LLOYD CENTER FOR ENVIRONMENTAL STUDIES ANNUAL WORK DAY SCHEDULED

The arrival of Spring means our annual Work Day at the Lloyd Center for Environmental Studies, 430 Potomska Road, South Dartmouth. This year's Work Day is Sunday, April 21st, 9 to 4. All who enjoy a productive day of accomplishments inside and out to ready the Center for summer are invited to join us. Jobs include trail work, light carpentry jobs, building a canoe rack and general painting and sprucing up. Lloyd Center staff strives to make work fun, so bring lunch, hand tools and work gloves and join us for part or all of the day. For more information call 990-0505.

"CREATING YOUR OWN FIELD EQUIPMENT"

On Saturday, April 27th, the Lloyd Center for Environmental Studies will offer a workshop for educators entitled "Creating Your Own Field Equipment" to be held at the Lloyd Center in South Dartmouth. "Creating Your Own Field Equipment" will offer teachers and other educators an opportunity to build a variety of field and classroom equipment for use in teaching coastal ecology and environmental science. Using simple and easily acquired materials, workshop participants will create and take home plankton nets, sieve sets, beach profile equipment, transect lines, quadrants and hydrometers. Various other types of oceanographic sampling equipment will be on display and discussed.

"Creating Your Own Field Equipment" will be held from 9:00 to 4:00 Saturday, April 27th, at the Lloyd Center, 430 Potomska

Priscilla Beach Theatre

REGISTRATION FOR "JACK AND THE BEANSTALK"

Priscilla Beach Children's Theatre, Plymouth is receiving applications for membership in its spring workshop for children of the ages 5-15 for the all-time classic fairy tale "Jack and the Beanstalk" which will begin April 22 and run through May 19 on Mondays from 4:30 to 6:30 p.m. and Saturdays from 1:00 to 3:00 p.m. Children who are residents of the southeast region of Massachusetts are invited to register for this workshop by calling the Theatre at 224-4888.

The workshop, led by professional director, Karen Oyaas, will focus on instructing the rudiments of communication skills to the children through applying them to a specific role in the classical fairy tale. At the end of the workshop, members will present their work on one of the Theatre's stages, "Le Studio" on Saturday, May 18th, at 10:30 a.m., and Sunday, May 19th, at 1:00 and 3:00 p.m.

Workshop members will learn to bring to life a classical literary work said PBT's Executive Director Anne Joelle. "'Jack and the Beanstalk' becomes imprinted in every child's memory because it is a story full of magic."

PBT workshop members will learn to create the endless magical effects of the play: the beanstalk, the giant's house above the clouds, the breath-taking chase of Jack and the Giant and finally the jubilant destruction of the beanstalk. The children

will also learn characterization by portraying such memorable roles as: Bossy, Jack's cow, Widow Bessy, the Giant, the Giant's wife, and the Man in the Moon. The educational value of studying a literary work using the tools of Drama is endless says PBT Artistic Director Geronimo Sands. "The work affords them a unique opportunity to develop their understanding of the basic skills of communication: speech, diction, projection, poise, and oral expression."

Priscilla Beach Theatre is a professional non-profit school of drama which does not discriminate according to sex, age, color, religion or nationality.

"Needed: Management Revolution"

FORMER UNDERSECRETARY OF COMMERCE TO SPEAK AT SMU

"Needed: A Management Revolution to Stay Alive" is the subject of an after dinner talk by Professor Myron Tribus, director of MIT's Center for Advanced Engineering Study, at Southeastern Massachusetts University on April 16th.

Tribus, former Under Secretary of Commerce and vice president of research and development at Xerox, believes business in the United States, "is in a war, only the generals don't know it. The war", according to Tribus, "has to do with our ability to offer quality products and services at competitive prices." What is needed, he says, is a combination of fairly simple statistical techniques combined with a re-thinking of philosophy and direction.

"Dr. Tribus is a dynamic speaker whose talk will appeal to a wide audience," says Professor Richard Sparks of the SMU management department, sponsor of the event. "His ideas and techniques for improving quality and productivity are just as important to managers of service organizations as to managers in industry."

The dinner is at 6:30 p.m., the lecture at 7:30 p.m. in the SMU Campus Center. The price of $16. includes both. For reservations call Professor Sparks at SMU at 999-8741.

GEORGE BUICK LESLIE MEMORIAL TROPHY

The Mattapoisett Bridge Club will have a two-session tournament Friday, April 12th, and 19th, at 7 p.m. at the Legion Hall in Mattapoisett to determine the winner for the annual George Buick Leslie Trophy. Winners last year were Mr. and Mrs. Edward Rothman. The award presentation will be Friday, April 26th. This is an open game for all. If you need a partner call Betty Whayne at 763-8339.

George Leslie was a former resident of Marion. He passed away in the Spring of 1984 at the age of 86. He was an avid bridge player up to the month he died and was a "Golden Age Master".

MATTAPOISETT BRIDGE CLUB

Winners on March 29th in the novice session of the Mattapoisett Bridge Club were Ruth Robinson and Marie Noyer, first; Jan Fisk and Pat Grochmal, second.

Winners in the Master session were: North-South, Doris Liberty and Helen DeMello, first; Charlotte Gibbs and Florence Ayres, second; Lizette Sylvia and James Masterson, third; East-West, Helen Linehan and Dennis Brienzo, first; Janice Morris and Col. E. J.
